JPII GENERAL DRESS CODE GUIDELINES

In the spirit of promoting excellence in all aspects of life, we wish to maintain and enhance a norm of personal appearance which reflects appropriate care, neatness and a sense of self-worth. It is our goal to set a standard of dress and grooming that inspires and encourages class unity, school identity and pride. Any student unable to abide by the dress code due to injury or illness must have a note from a physician and present it to the Academic Administration Office and Health Services. Failure to adhere to established uniform requirements will result in disciplinary action. The final decision in determining appropriate dress and appearance shall rest with the Dean of Formation/designee.

- The JPII uniform is required to be worn in its completion each operational day from 8:30 AM - 3:30 PM. All students must remain in school uniform on campus during school hours even if they have late arrival or early release.
- Before school, students reporting directly to a 1st/5th period fine arts or athletic practice, may enter the building between 8:00 and 8:30 AM in shorts. Students may not wear shorts in the Dining Hall, tutoring, commons areas or hallways between 8:00 and 8:30 AM. After school, students may wear shorts in the building following the conclusion of their practice, until they leave campus.
- In general, JPII students' appearance must be tasteful, respectful, and non-distracting.
- All uniform components must be **clean, neat and free of tears or markings**.
- Blankets are not permitted to be worn or carried throughout the school day.
