

Welcome to the Family!

Hello John Paul II families,

We are so excited to formally introduce ourselves, **FlynnO'Hara Uniforms**, as your school's new uniform partner. Founded in 1972, we are the nation's leading bespoke school uniform retailer, outfitting more than half a million students each year from 1800+ schools across the United States. We are a proud family owned and operated business.

We understand how difficult the sudden closure of Dennis Uniforms has made shopping for the John Paul II uniform. The good news is that we're here to help! In order to ensure a seamless transition, we will be making all in-stock products available for purchase immediately on our website. However, we will need time to manufacture exclusive uniform products that are custom made for your school. If there's a product that is missing from our site, it's likely that item is not yet in stock.

Your uniform will also be available for purchase at our new North Dallas store, opening this spring. Please stay tuned for more information about this location at the start of the new year!

We sincerely appreciate your patience as we get your uniform program up and running. We are thrilled to partner with John Paul II High School and cannot wait to get to know your community in the years ahead!

Sincerely,
The FlynnO'Hara Team
